Pastoral Support Manager from December 2017
Grade 8 – Maternity Cover (£28,440-£34,254 FTE) – Part time role – days to be negotiated

Beormund is a school that supports children with social, emotional and mental health needs. For many they have been excluded from more than one mainstream setting. And for that reason, there is often a disassociation with the education system for the child and their family.

We know that family support and engagement has an unequivocal effect on children's learning. We currently have a passionate, organised and driven Pastoral Support Manager who will soon be on maternity leave. We value the work we do with the parents and carers and the role is integral to keeping our children safe at school.

We are now looking for a one year, fixed term Maternity cover contract starting from Monday 4th December 2017.

Your day will be varied; from running a coffee morning, attending a CP conference, leading quiet play zone, taking parents on an Enrichment trip and anything that encompasses the role of a DSL. The right candidate will be diligent, organised and work well under pressure. They will communicate effectively with a whole range of colleagues and professionals to work in the best interests of the child.

Application forms can be downloaded from our school website www.beormundschool.co.uk and should be submitted to jpadmore@beormund.southwark.sch.uk

The safety, welfare and wellbeing of the children is the first priority of Governors and staff at Beormund primary school and all appointments are subject to appropriate vetting and barring checks, as described in the current DfE Guidance 'Keeping Children Safe in Education'.

Closing date: Wednesday 11th October 17
