9th February 2016

Dear Parents / Carers

Permission for School Website Photographs

We are currently in the process of re-designing our School Website. At times, there will be photographs taken of school trips, children at work and school activities to evidence and display what they have been learning and enjoying throughout the school year which would like at times to upload onto the school website to share with you. In order to protect the rights of children over the use of their images the following security procedures have been insisted upon during the construction of the website:

- All photographs are to be submitted to the Headteacher for approval before possible publication
- All photographs included on the website must conform with DfES and local authority guidelines on website security

We believe that, by following the above measures, we will have a website that reflects our school at its very best and is of real interest to the children, staff, governors, prospective parents and friends of our school.

Please sign the attached form and return it to the School Office as soon as possible.

Yours sincerely

Andrew Henderson
Headteacher

.....
 I GIVE PERMISSION for images of my child to be included in the Beormund School website.

I DO NOT GIVE PERMISSION for images of my child to be included in the Beormund School website.
