Welcome to our first half termly newsletter where we will be providing you with information on a range of services provided by the Pastoral Support Team.

Our role is to work closely with families who may need some extra support. We are here to listen and offer suggestions and advice on a variety of areas, such as behavior management, secondary transition, and help filling out forms. We also sign post to other specialist services in your local area.

We're also here if you just want a general chat!

We run coffee mornings every half term and we hope to see you there!

Southwark Information Advice and Support Team

In January we had Rebecca and Izzy from Southwark Information Advice and Support Team meeting Year 6 parents and carers about secondary schools transition. They gave information and support on the appeals process and offered confidential advice to individual cases.
