Whistleblowing Policy and Procedure

SOUTHWARK MODEL

1. Introduction

If you have concerns about something that is happening at work which you think could be unlawful conduct, financial malpractice, a concern for the welfare or safeguarding of a child or be dangerous to the public or the environment, it is important that you know what you can do to bring it to the Council's attention.

The School is committed to achieving the highest possible standards of service and ethical standards in public life and it is important to us that you are not worried about raising such issues and do not feel that reporting them is either not your business or would be disloyal to colleagues, managers or to the organisation.

It is also important that if you decide to say something that you know the appropriate way to do it.

The Governing Body has introduced this Whistleblowing policy and procedure in line with the Public Interest Disclosure Act 1998 (which you can consult at http://www.opsi.gov.uk/acts/acts1998/ukpga_19980023_en_1) to enable workers (see below) to raise issues of concern in an appropriate manner.

The term worker broadly includes employees, independent contractors, agency workers, trainees and a person who is or was subject to a contract to undertake work or services for the school.

This policy is primarily for concerns where the well being of others or of the organisation itself is at risk.

2. Aims of the Policy

This policy aims to:

- Encourage you to feel confident in raising concerns
- Provide avenues for you to raise concerns and receive appropriate feedback.
- Ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied.
- Reassure you that you will be protected from any reprisals or victimisation by the School, if you have reasonable belief that the matter disclosed tends to show wrongdoing and you have made the disclosure in an appropriate manner and in good faith.

3. What to raise concerns about

The Public Interest Disclosure Act lists matters about which concerns can be raised and these are as follows:"

1. that a crime has been committed, is being committed, or is likely to be committed
 - Examples might be child abuse, the abuse of any other vulnerable clients, or theft.
 - Fraud
Disclosures about fraud are dealt with separately under the Council's Fraud Response Plan and any allegations should be reported to the Departmental Finance Manager, Children's Services.
2. that a person has failed, is failing, or is likely to fail to comply with any legal obligation to which he is subject

- Examples might be breach of contract, breach of statutory requirement or breach of any provision in the Constitution.

3. that a miscarriage of justice has occurred, is occurring, or is likely to occur,

4. that the health and safety of an individual has been, is being, or is likely to be endangered,

5. that the environment has been, is being or likely to be damaged

6. that information tending to show any of 1 to 5 above has been concealed or is likely to be deliberately concealed.

4. Our assurances to you

To protect you

The Governing Body and School Managers are committed to this policy. If you make a disclosure on one or more of the matters listed above and you have a reasonable belief that your concern is real and you are acting in good faith, you will not suffer any detriment, even if after investigation it transpires that your concern is unfounded.

To protect your identity

We will not tolerate the harassment or victimisation of anyone raising a genuine concern. If such harassment or victimisation should occur, you should write to The Monitoring Officer (Strategic Director, Communities Law and Governance, Southwark Council, PO Box 64529, London SE1P 5LX who will deal with the matter.

However, we recognise that you may nonetheless want to raise a concern in confidence. If you ask us to protect your identity, we will not disclose it without informing you. If the situation arises where we are not able to resolve the concern without revealing your identity (for instance because your evidence is needed in court), we will discuss with you whether and how we can proceed.

Remember that if you do not tell us who you are, it will be much more difficult for us to look into the matter or to protect your position or to give you feedback. Accordingly, while we will consider anonymous reports, it will not be possible to apply all aspects of this policy for concerns raised anonymously.

5. How to raise a concern internally

Stage One

If you have a concern about malpractice, we hope you will feel able to raise it first with your manager. This may be done orally or in writing.

Stage Two

If you feel unable for whatever reason to raise the matter with your Headteacher under stage one, please raise the matter with the Chair of Governor, or else an appropriate specialist officer within the Children's Services Department as follows:

- Equality and Diversity – contact the Children's Services Department for equality issues
- Executive Head of Human Resources, Children's Services for employment and issues
- Children's Services Health and Safety Manager

for health and safety issues

When you raise the matter, please say if you are doing this in confidence. The person you contact can then make appropriate arrangements.

Stage Three

If stage one and/or two have been followed and you still have concerns, or if you feel that the matter is such that you feel you cannot raise it with your manager or Headteacher, for example because it concerns them or it is very serious, please write to Monitoring Officer (Strategic Director, Communities Law and Governance, Southwark Council, PO Box 64529, London SE1P 5LX. The Monitoring Officer can investigate concerns about the most senior officers.

6. How to raise concerns about fraud

Disclosures concerning fraud should be made to your Headteacher, to the Chair of Governors or to the, Departmental Finance Manager, Children's Services. Further information and advice can be found in the Fraud Response Plan.

- Look into it to assess initially what action should be taken. This may involve an internal inquiry or a more formal investigation.
- Write to you summarising your concern and setting out how we propose to handle it and provide you with details of the officer handling the matter and how you can contact him or her. We will always write to you at your home address unless you tell us not to.
- The investigations will be conducted on a strictly confidential basis and the subject of the complaint will not be informed unless and until it becomes necessary.
- We will give you as much feedback as necessary. However, please note that we may not be able to tell you the precise action we take where this would infringe a duty of confidence owed by us to someone else.
- Inform the Monitoring Officer that you have raised a concern under the whistleblowing policy and provide him with details of your complaint.

- The Monitoring Officer will keep a central record of all such complaints and where the complaint was not raised directly with her, keep a watchful eye on the progress of the investigation and of action taken.

- The School's Complaints Procedure can be used for complaints about Governors.
