SEND Class Teacher from September 2018 (MPS with SEN allowance)

We have a fantastic opportunity for an experienced, driven and inspirational class teacher to further develop their own love of learning in Southwark's SEMH setting.

Are you a teacher who:

- enjoys a challenge?
- is able to personalise the primary curriculum for children who learn in different ways?
- is able to use a variety of assessment tools to plot and track a child's progress?
- is able to look beyond the behaviours of a child in order to support their social and emotional development?
- has resilience and shows care, and is someone who recognises the importance of sustaining relationships with our children and their families?
- would actively contribute to and learn from a diverse team of committed professionals?

Beormund serves children with social, emotional and mental health needs. All arrive from mainstream settings where their needs could not be met and their behaviours were deemed challenging. We provide a safe, happy, personalised, therapeutic and aspirational setting where the children make accelerated levels of academic progress and in many other aspects of school life.

You would become part of a talented, resilient and creative team who are committed to improving the lives of some of London's most vulnerable children. We have a collective passion for learning, achieving and succeeding. It's a fantastic school to work where no two days are the same. Visits are recommended. Please call our SBM Julia in the school office to arrange a visit on 0207 525 9027.

Application packs can be downloaded from Jobs4Schools or from our school website www.beormundschool.co.uk and should be submitted to jpadmore@beormund.southwark.sch.uk

The safety, welfare and wellbeing of the children is the first priority of Governors and staff at Beormund primary school and all appointments are subject to appropriate vetting and barring checks, as described in the current DfE Guidance 'Keeping Children Safe in Education'
