8th November 2022

Dear Parents and Carers

Planned Industrial Action (Tube Strike) on Thursday 10th November 2022

We have been closely monitoring the news to ascertain if the Tube strike will be taking place. As it stands, there will be “limited or no Tube services running on Thursday” (TfL)

Our dedicated staff team travel from far and wide to teach and nurture our children. We have a significant number of staff who travel by tube and rely on public transport to make their way into school.

Due to the travel disruption a tube strike brings, we could not guarantee the necessary number of qualified staff to welcome your children onsite. Unsafe ratios would pose a significant health and safety risk which we, as leaders, are not prepared to take.

Due to the tube strike on Thursday 10th November we will provide an online learning programme.

Children will not be expected into school on Thursday. Instead they will be required to log onto their Google Classroom account and will be taught lessons throughout the day.

Please do contact Tracey, our Admin Officer, if you need a refresher on using Google Classrooms. Please also let us know if you need to loan a device for the day.

We acknowledge the inconvenience that this may cause. Our decisions are always based on our ongoing risk assessments with the ultimate aim to keep children safe.

We look forward to seeing you, with your children, during this Friday’s PLP day.

Yours sincerely

Lisa Noel
Headteacher
