	<p>educational. From unravelling the secrets behind how money is made and managed, to learning about the history of the UK's financial system, this immersive experience is designed to engage and inspire. Through hands-on activities and interactive exhibits, you'll explore the inner workings of the Bank of England and gain a deeper understanding of how money shapes our everyday lives.</p>	
<p>19th February 2025</p> 	<p>A trip to the Migration Museum offers an incredible, eye-opening experience that goes far beyond a typical day out. It is an immersive journey through the rich, diverse stories of migration that have shaped cultures, communities, and countries. Imagine walking through exhibitions that bring history to life, where the struggles, triumphs, and everyday experiences of migrants are captured in powerful displays and interactive exhibits. You will discover the personal narratives of individuals and families who have journeyed across continents in search of new beginnings, tracing the impact of migration on everything from food, music, and fashion to politics and identity. This trip is not just educational. It is an emotional and thought-provoking experience that deepens your understanding of global movements and their human impact.</p>	<p>Leaving from Beormund at 9.15am.</p> <p>We will take the overground from London Bridge 3 stops to Lewisham.</p> <p>https://www.migrationmuseum.org/</p>

The aim is for you to have the confidence and knowledge to take your children there too.
